InMATYC Scholarship

The Indiana Mathematical Association of Two-Year Colleges (InMATYC) Scholarship will be awarded to an Ivy Tech Community College or Vincennes University student (or at most to two students) who meets the following requirements:

1. Must be a Freshman or Sophomore at Ivy Tech CC or Vincennes University in the academic year that the application is submitted.
2. Must be (or must have been) enrolled in at least 6 credits at Ivy Tech or VU in the academic year that the scholarship application is submitted.
3. Must have completed, with a grade of B or better, at least one math course (for which Intermediate Algebra is a prerequisite).
4. Must have an overall GPA of at least 3.20 on a 4.00-point scale.

The scholarship application materials must include the following:
1. At least 1 letter of recommendation from a math instructor.
2. At least one additional letter of recommendation from an instructor at Ivy Tech or VU.
3. An unofficial copy of the student's transcript.
4. A brief statement (200-word maximum) that includes the student's professional goals (required) and obstacles that the student is overcoming to achieve his/her goals (optional).

The InMATYC Faculty Awards Committee will select the scholarship recipient (or recipients) based on a review of the submitted materials, with emphasis on academic achievement and professional goals. The total amount of the scholarship (or scholarships) awarded will be $600 or less.
